Columbia Batteries

There are two reasons why we'd rather sell you Columbia Batteries for your doorbell, telephone, auto, engine or tractor.

First—It's a lively, full-powered cell. Second—It's so well-known that it sells faster, and for that reason we are able to buy fresh stock often.

Freshness is important in dry cells. Don't accept inferior, unknown or deteriorated batteries—buy Columbia and buy them here, FREE.

A. A. Priest's Dodge Car Stolen From His Garage Friday Night.

A. A. Priest, who lives about two miles out on a farm on the Bethel road, lost his automobile on Friday night. The car was left in the garage, well stocked with gasoline, and put in good order for a trip, the night before and going out in the morning, the car was gone. It is supposed to have been taken about eleven o'clock the night before, as Miss Helen Davis, who was familiar with the car, saw it pass through Main street at about 11 o'clock on Friday night as she was going home from the Nellie Gill play. The car was so far as she could see occupied by one man only, who was driving. No clue of it has been found as yet, and it is feared that it will not be recovered. It was a Dodge automobile and had been used a year before this, but lately was put in first-class condition.

Miss Eleanor J. Clark, who for several years has been the instructor in the teacher training department of the high school, arrived here on Saturday from her vacation. The school opens on Tuesday with a prospect of a large membership. Prin. E. G. Ham and family have also returned from York Beach, where they have been passing the vacation.

H., arrived here Saturday for a few days' stay at the home of Mr. and Mrs. W. H. Gladding, and will also visit Mrs. V. A. Grant and Mrs. J. F. Chadwick.

Mr. and Mrs. George Tupper of St. Albans were in town briefly on Saturday, and went to East Braintree to visit the latter's parents, Mr. and Mrs. Abel.

Mrs. A. L. Galarneau returned on Saturday from a week's stay in Montreal, where she had been visiting Mr. Galarneau's family.

Mrs. J. H. Williams left here Saturday for Boston to visit her nephew and family for a couple of weeks.

Mrs. G. W. Patterson and her son, George, have moved from the Slack place on the hill, to the rooms in the DuBois & Gay block, formerly occupied by Mr. Patterson for an office.

Mr. and Mrs. George Joslyn of New York are passing several days here with relatives.

Dr. A. C. Bailey, who has been quite ill for the last week, is now reported much better, although he is not yet able to be up.

Rev. B. H. Moore is attending the campmeeting at Claremont this week, and on Sunday Rev. F. S. Tolman occupied the pulpit of the Methodist church, the two congregations worshipping together.

Mrs. Roy Thayer, who has been ill for several days, was not as well on Saturday, and it was feared that pneumonia might follow.

Pile Sufferers! Clever Ohio Chemist Says This Great Prescription Taken Internally Has Never Failed

Even chronic cases of 20 to 30 years' standing, with profuse bleeding, have been completely cured in from three to ten days.

No discovery of recent years in the field of medicine has caused such a stir amongst the medical profession as the recent discovery that piles can be successfully treated and cured at home by a wonderful prescription known to druggists as Miro Pile Remedy.

It has been proved that so-called external remedies applied or inserted into the rectum cannot cure piles and at the best only give temporary relief. This is also true of surgical operations, which simply remove them after formation, but in no wise act on the source of the trouble.

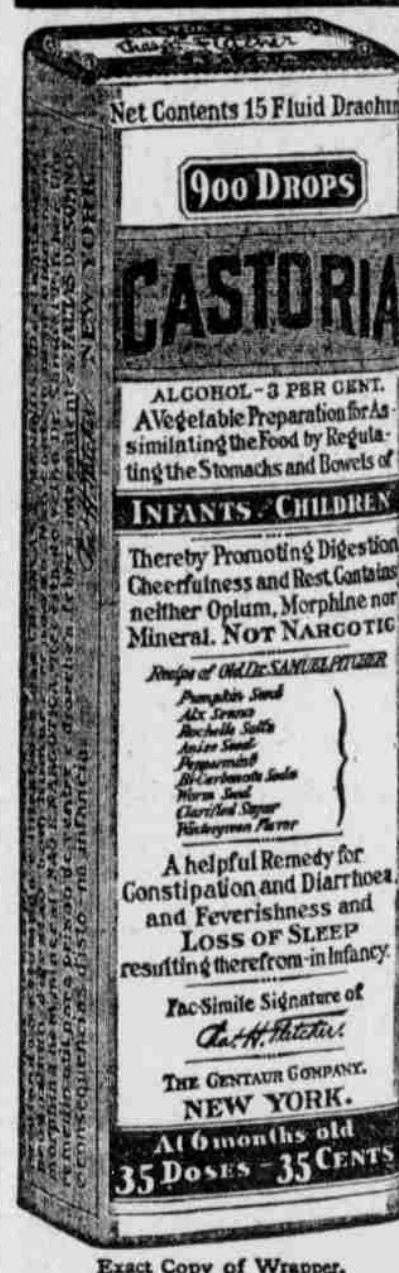

This prescription, although taken internally, is not digested in the stomach, but is rapidly passed on unchanged to the intestines in a short time, reaching the exact place where by its soothing, healing action, it first allays all inflammation and then by direct contact with

all ulcers and piles, causes them to heal and disappear forever.

It's positively marvelous how speedily it acts. Bleeding relief often comes in two or three days at most, even in cases with profuse bleeding that have resisted all known treatments and operation, really wonderful results have been accomplished.

The author of this amazing discovery desires all sufferers to know that he does not want a cent of anyone's money unless Miro Pile Remedy decisively conquers even in the worst cases, and he has instructed druggists all over the country to guarantee it in every case of blind bleeding or protruding piles.

IMPORTANT—What is known as itching piles are not piles in the true sense of the word, although this condition may accompany a true case of piles. For this condition Miro Pile Ointment has been prepared, as in such cases it is not necessary to take the internal prescription. If your druggist cannot supply you, we will gladly send either of the above mail charges paid in receipt of price. Internal Treatment \$1.50, war tax 5c, Ointment 50c, war tax 2c extra.
